

Virgie Slept with Her Brother?

This is pretty freakin gross.
TMZ reports that Virgie Slept with her Step Brother and had a child.

Here's the deal: Virgie's mom, Paralee, married a guy named Melvin and had Virgie. In another part of Texas, a guy named George William Tacker got together with this chick named Betty Jo and had a son named David Luther Tacker. Then Paralee and George got married, so Virgie and David became their stepkids. They were all one big happy family -- maybe too happy, because Virgie hooked up with her stepbro to produce David Luther Tacker, Jr.

So, David Sr. is Virgie's stepbrother and her baby daddy.

First. Slap this Hilly Billy Beeotch for being a damn incestuous inbred.

Second, Punch her Step Brother for tagging such nasty pig!

What's even worse is that some of you are saying "whats wrong with that? "
E www... I may not be able to sleep tonight...hold me! Not you Virgie! ..Yuck
