I'll find someone just to get paid
and not let him no. Is that so bad?
I don't think so man are pigs. I
raised Daniel and look at how much
paid and pay. No man to help. Don't
want any one to tell me about my
kids. Well I was 3 months preg. but lost
the baby due to stress it nearly killed
me. It was one bastard was another boy.
The case is not till Sept. So I think
this is the best time to say. What are
you think I'd want that is enough bubble
to make a hole. Will you write back?
